**On The Road & In The Round**

**Craig Bickhardt**

**Thom Schuyler**

**Tony Arata**

**Saturday, March 24th • 7 PM**

Craig Bickhardt's songs have been recorded by legends such as Johnny Cash, Martina McBride, Willie Nelson, Ray Charles, and B.B. King. Thom Schuyler's "Love Will Turn You Around" (Kenny Rogers) was American Music Awards Song Of The Year. Tony Arata's "The Dance" (Garth Brooks) won The Academy of Country Music Song of the Year. Thom and Tony have both been inducted into the Nashville Songwriters Hall of Fame.

The dynamic chemistry between Craig, Thom and Tony is the result of many years of friendship, collaboration and performing together. You will be moved by all three performers, knocked out by their musicianship, and entertained by the wonderful, often hilarious stories they tell about their songs and careers. This will be an amazing show!

*The Concert is open to the public with no admission charge, but a free-will offering of \$20 per person is suggested. The doors open at 6:30 PM.*
